**OPHELIA'S JUMP THEATRE PRESENTS**  
**"SHORT PEOPLE"**  
**an original sketch comedy show**  
Regular Run August 31 through September 15

FOR IMMEDIATE RELEASE

Upland CA (August 10, 2018) – Ophelia's Jump Productions (OJP) continues its successful 6th season with *Short People*, an original sketch comedy show performed at the Ophelia's Jump Studio, located at 2009 Porterfield Way, Suite H, in Upland, from August 31 through September 9, 2018. After the hilarious *Feminine Mystake* sketch show presented in their first season, the artistic team of Ophelia's Jump, led by Associate Artistic Director, Caitlin Lopez, has created *Short People*, a full length comedy sketch show in true OJP fashion.

**About Short People:**

A young girl's obsession with defining herself leads to a sexual identity crisis via board game. A boy dreams of what it would be like to be in a band and soon finds his inappropriate voice in Riot Grrrl music. Written by a team of young comedians and improvisors, *Short People* follows their childhood dreams and musings from the pages of their diaries onto the stage as adults. Satirical, absurd, whimsical, thought provoking (maybe) and always hilarious!
